FLEXIBLE WORK OPTIONS

Once a week

Once a month

Vacation coverage

Supplemental income alongside
a hospital or full-time role

COMING SOON

As volume grows, anticipated opportunities may include:

- Full-time echocardiography position at Ohana Imaging Solutions
- Full-time echocardiography role in private practice cardiology
- Additional echocardiography opportunities in growing partner offices
- Vascular sonographer positions as services expand next year

We are especially interested in connecting with military spouses relocating to O'ahu. If you are looking for flexibility now and potential long-term opportunities ahead, we would love to hear from you.
